Subject: DTSC Community Survey and Cover Letter - Malibu HS

All,
Attached are copies of the DTSC Community Survey and Cover Letter. Given the demographics, both documents will need to be translated to Spanish, printed, and mailed to the following:

- Staff and Parents of Students at Malibu High School, Middle School, and Juan Cabrillo Elementary School
- ¼ mile mailing list
- DTSC Mandatory Mailing List (provided to Environ in previous e-mail)

Additionally, return envelopes with DTSC's mailing address should be included in the mailing (consistent with other school site investigations). All surveys, whether hard copy or electronic form must be returned directly to DTSC. Surveys can be mailed to Marina Perez, DTSC Public Participation Specialist via USPS at 9211 Oakdale Avenue, Chatsworth, CA 91211 E-mailed at: marina.perez@dtsc.ca.gov or sent via Fax: (818) 717-6575.

For documentation purposes, DTSC will need information on the number of individuals who will be receiving the surveys electronically and via USPS per school, as well as the number of residents listed on the ¼ mile radius list.

We also suggest that the SMMUSD post this on their website and have copies available on the three campuses. Should you have any questions, please feel free to contact me directly at (818) 717-6569 or via cell at (213) 434-6388.

Thanks,
Marina
